result of the central guide wheel.

**Hakomatic
450B Battery**
From
\$53.67
per week*

Forget about paying upfront, there is now an easier way to acquire the equipment you need.

Through a partnership with The Leasing Centre, Complete Cleaning Supplies now offers a comprehensive Operating Lease facility, in addition to traditional Leasing and Hire Purchase solutions, which promises significant financial benefits for your business.

BENEFITS OF OPERATING LEASE:

- Payments are treated as an **operating budget item**
- An acquisition using Operating Lease falls **outside of any Capital Acquisition Budgets**
- Predictable monthly payments with **no deposit & no residual value liability**
- **End of term options** include purchasing, re-renting, upgrading or simply returning your equipment.
- **Update and upgrade** at any time with no penalty, and often without increasing monthly payments

Unique versatile high quality mini floor washing machine, designed to clean different types of floors.

Ideal for hospitals because of the low noise level.
