
Section 1: Identification of the Material and Supplier

Supplier: SoSafe Specialty Products Pty. Ltd. ABN 73 001 553 699
Address: 50 Chard Road, BROOKVALE NSW 2100, Australia
Tel: +61 2 9938 1800
Fax: +61 2 9905 0979
Product Name: **BRACTON VANILLA FRESH**
Other Names: VANILLA FRESH
Proper Shipping Name (ADG Code): None Allocated
Recommended Use: Air Freshener, Odour Neutralizer, Room Spray, Surface Sanitizer
Emergency Phone Numbers:
Transport/Fire Emergency: 000 (Emergency Services)
Medical Emergency: 131126 (Poisons Information Centre)

Section 2: Hazards Identification

NOT CLASSIFIED AS HAZARDOUS ACCORDING TO NOHSC CRITERIA

NOT CLASSIFIED AS A DANGEROUS GOOD BY THE CRITERIA OF THE ADG CODE

UN Number:	None Allocated	Hazchem Code:	None Allocated
Pkg Group:	None Allocated	Subsidiary Risk(s):	None Allocated
DG Class:	None Allocated	EPG:	None Allocated

Section 3: Composition/Information on Ingredients

Ingredients:	Non Hazardous Ingredients	<10%
	Water [7732-18-5]	Remainder

Section 4: First Aid Measures

For advice, contact a Poisons Information Centre (Phone 131126) or a doctor.

Swallowed: For advice, contact a Poison Information Centre or a doctor (at once).

Skin: If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water.

Eyes: If in eyes, hold eyelids apart and flush the eye continuously with running water. Continue flushing until advised to stop by the Poison Information Centre or a doctor, or for at least 15 minutes.

Inhalation: If inhaled, remove from contaminated area. Apply artificial respiration if not breathing.

Advice to Doctor: Treat symptomatically

Section 5: Fire Fighting Measures

Fire and Explosion: Non flammable. No fire or explosion hazard exists.

Extinguishing: Non flammable.

Flammability: Non flammable. May evolve toxic gases if strongly heated.

Hazchem: Code None Allocated

Section 6: Accidental Release Measures

Spillage: If spilt, mop up area and wash residue down with water. For large spills (bulk), wear goggles and PVC/rubber gloves, absorb with sand or similar, collect and place in sealed containers for disposal. Wash spill site down with water.

Section 7 Storage and Handling

Handling Storage: No special requirements for the storage of this product. Before use carefully read the product label. Use of safe work practices are recommended to avoid eye or skin contact and inhalation. Observe good personal hygiene, including washing hands before eating. Prohibit eating, drinking and smoking in contaminated areas.

Section 8: Exposure Controls/Personal Protection

Exposure Standards: No exposure standard(s) allocated.

Biological Limits: No biological limit allocated.

Engineering Controls: Ensure adequate natural ventilation.

Personal Protective Equipment: Wear splash-proof goggles and PVC or rubber gloves.

Section 9: Physical and Chemical Properties

Appearance:	Clear Liquid	Boiling Point:	100°C
Odour:	Odourless	Melting Point:	0°C (Approximately)
pH:	6.5	Evaporation Rate:	As For Water
Vapour Pressure:	23 hPa @ 20°C	Solubility (Water):	Soluble
Vapour Density:	Not Available	Specific Gravity:	1.0 (Approximately)

Volatiles:	>95% (Water)	Upper Explosion Limit:	Not Available
Flammability:	Non Flammable	Lower Explosion Limit:	Not Available
Flash Point:	Not Available		

Section 10: Stability and Reactivity

Chemical Stability: Stable under recommended conditions of storage.

Material to Avoid: Compatible with most commonly used materials.

Section 11: Toxicological Information

Health Hazard Summary: Use safe work practices to avoid eye or skin contact and vapour inhalation. Due to the low vapour pressure of this product an inhalation hazard is not anticipated under normal conditions.

Swallowed: Ingestion of large quantities may result in nausea, vomiting and gastrointestinal irritation.

Skin: Prolonged or repeated contact may result in mild irritation. Some individuals may experience allergic reaction.

Eyes: Contact may result in irritation.

Inhalation: Over exposure may result in irritation of the nose and throat, with coughing. Due to the low vapour pressure, an inhalation hazard is not anticipated with normal use.

LD50: No data available for this product.

Section 12: Ecological Information

Environment: This product is not anticipated to cause adverse effects to animal or plant life if released to the environment.

Section 13: Disposal Considerations

Legislation: Dispose of in accordance with relevant local legislation.

Section 14: Transport Information

Not regulated for transport purposes

Shipping Name: None Allocated

UN Number: None Allocated

Pkg Group: None Allocated

DG Class: None Allocated

Hazchem Code: None Allocated

Subsidiary Risk(s): None Allocated

EPG: None Allocated

Section 15: Regulatory Information

Poison Schedule: A poison schedule number has not been allocated to this product using the criteria in the Standard for the Uniform Scheduling of Drugs and Poisons (SUSDP).

AICS: All chemicals listed on the Australian Inventory of Chemical Substances (AICS).

Section 16: Other Information

Revised Date of MSDS: March 2015

While Bracton Industries have taken all due care to include accurate and up-to-date Information in this MSDS, it does not provide any warranty as to accuracy or completeness. As far as lawfully possible, Bracton Industries accepts no liability for any loss, injury or damage (including consequential loss) which may be suffered or incurred by any person as a consequence of their reliance on the information contained in this MSDS

Product Label

BRACTON VANILLA FRESH is a non-rinse residual disinfectant, scientifically proven to kill bacteria and remove odours. Based on an AOIS approved product, Vanilla Fresh is safe to be used in most areas. Don't just mask unpleasant odour, completely eliminate them.

USES Vanilla Fresh is suitable for all surface types. Common uses include: toilet areas to remove urine smells, carpets to remove smoke smells, garbage areas and fridges.

APPLICATION

Toilet & garbage areas → Spray and leave.

Fridges → Remove food items, spray Vanilla Fresh and wipe excess product.

Tables → Spray directly onto table/counter top and wipe off excess product.

Cars → Spray directly onto car carpet to neutralise cigarette and other odours.

Carpet → Spray directly onto carpet.

NOTE: Test in a non-critical area prior to use. Can be used in conjunction with hot water extraction vacuums.

FIRST AID Read Material Safety Data Sheet before handling. For advice contact a physician. Avoid contact with eyes.

SWALLOWED Do not induce vomiting.

SKIN Remove contaminated clothing and wash skin thoroughly.

EYES Hold eyes open, flood with water for at least 15 minutes and seek medical advice.

Bracton shall in no event be liable for, and Customer hereby agrees to indemnify Bracton against all claims related to, special, direct, indirect, consequential, or any damages arising out of or related to the sale, use, or inability to use the product.
