

Product Information Sheet

SPITFIRE ADVANCED

Carpet & Upholstery Prespray

Product

- ✓ WoolSafe approved
- ✓ Superior performance and fast drying
- ✓ Free rinsing, non-sticky formula ensures carpet and upholstery stay cleaner longer
- ✓ Non-irritant spicy aroma removes unpleasant odours
- ✓ Self-neutralising formula meets AS/NZS 3733 standard
- ✓ Extremely economical highly concentrated formulation

As a pre-spray it is suitable for use on regular and new low profile style carpets and upholstery to remove greasy, stubborn stains. Suitable for wool, wool blend and olefin and satin treated nylon fibre carpets. SPITFIRE ADVANCED rinses freely and allows more dirt and greasy soil to be removed leaving it fresh and brilliantly clean.

CHRC-191006ADV	(1L)	6	9324828000426
CHRC-191015AADV	(5L)	3	9324828000433
CHRC-191015ADV	(15L)	1	9324828000440
CHRC-191200ADV	(200L)	1	9324280000457

Application

Task	Method	Dilution
Upholstery	<ol style="list-style-type: none">1. Prepare the diluted solution as directed.2. Apply with a trigger spray.3. Extract with hot water.	Heavy Soils: 1 to 15 parts water
Pre-spray Carpets	<ol style="list-style-type: none">1. Vacuum carpet thoroughly and move furniture or place foil under legs.2. Dilute SPITFIRE ADVANCED as directed. The product can be used with warm or hot water (65-90°C). Hot water will help improve oily soil removal.3. Pretest before use. Apply the diluted solution in an inconspicuous area and cover with a clean white towel. Leave for 5 mins and check the towel for colour transfer. If no colour transfer proceed with cleaning.4. Pre-spray the carpet to be cleaned paying special attention to high traffic or heavily soiled areas. DO NOT saturate carpet. Make sure carpet is consistently wet.5. Allow pre-spray to remain on the carpet for 3–5 minutes. Always work on a manageable area and DO NOT let pre-spray dry before extracting.6. Extract the carpet with clean water and leave it to dry. If necessary provide ventilation to reduce drying times.	Medium Soil: 1 to 30 parts water Heavy Soils: 1 to 20 parts water

Safety: Keep out of reach of children.
Avoid contact with eyes and skin. Wear protective clothing and eye/face protection.

Not considered hazardous according to the criteria of Safe Work Australia
